# SOUP

Soup is a primarily liquid food, generally served warm or hot, that is made by combining ingredients of meat or vegetables with stock, or water. Hot soups are additionally characterized by boiling solid ingredients in liquids in a pot until the flavors are extracted, forming a broth.

# SALAD

A salad is a dish consisting of a mixture of small pieces of food, usually vegetables. However, different varieties of salad may contain virtually any type of ready-to-eat food. Salads are typically served at room temperature or chilled, with notable exceptions such as south German potato salad which is served warm.

# DESSERTS SP.

Dessert is a course that concludes an evening meal. The course usually consists of sweet foods, such as confections, dishes or fruit, and possibly a beverage such as dessert wine or liqueur. However, in the United States it may include coffee, tea, milk, or other savory items regarded as a separate course elsewhere.
